Online Gift Boutique for Trendy Tots

BLUEBLANKIE.COM Has Marvellous Must-haves For Small Wonders

WHITBY, ONTARIO (May 26, 2005) – Marathon shopping trips trying to find the perfect gift for a new baby in a shopping mall can sometimes be as time consuming and exhausting as early morning feedings. Web savvy, time-pressed shoppers know they can find gifts that will be the talk of the party at **BLUEBLANKIE.COM**, online gift shop for tots that has everything a cool kiddie could want.

“I came up with the idea after trying to find a specific blue blankie for my daughter,” says Tanya Petruk, founder of **BLUEBLANKIE.COM**, and mother of two toddlers. “There isn’t a lot of a variety in major department stores if you’re looking for something that stands out. Many American websites charge outrageous shipping and customs fees, while others don’t even ship to Canada at all. At **BLUEBLANKIE.COM**, we provide customers with a unique shopping link to stylish, upscale baby and toddler gifts from a Canadian company with easy online ordering.”

BLUEBLANKIE.COM offers customers deluxe merchandise ranging from giftware to toddler furniture. Order décor items, crystal pacifiers, Jack and Lily baby shoes, plush animal rockers, hot rod and fire engine retro styled metal pedal cars, organic cotton apparel and blankets by Sage Creek Naturals and whimsically adorned Levels of Discovery rocking chairs and furniture for that distinctive touch to a child’s room.

Coming later this summer, Mamas and Papas animal rockers and the AMF reissued 1965 Mustang pedal car! Best of all, the prices are in Canadian dollars and there are no customs or currency exchange charges when you order. Just visit www.blueblankie.com. For that special gift or toy for your extra special tot.
